## **Looking Forward**

#### **Strategic Priorities**

Based on this year's data and community feedback, our priorities for the coming year include:

- 1. **Chapter Support**: Provide resources and mentorship to chapters in the "Moderate" category to increase activity
- 2. Geographic Expansion: Focus outreach in underserved regions, particularly Africa and Asia
- 3. Sustainability: Develop leadership succession planning for very active chapters
- 4. **Accessibility**: Maintain strong virtual programming while supporting return to in-person events
- 5. Network Effects: Facilitate cross-chapter collaborations and speaker sharing

#### Goals for Next Year

• Increase active chapters by 15-20%

• Expand presence in underrepresented regions

## Financial Stewardship

Funding received this year has directly supported:

- Infrastructure: Meetup.com platform costs for 227 chapters
- Programming: Virtual event platform licenses and technical support
- Outreach: Marketing materials and promotional campaigns
- **Development**: Website maintenance and community tools
- Training: Organizer resources and leadership development

All funds are used exclusively for community benefit, with volunteer leadership ensuring efficient resource allocation.

## Acknowledgments

This impact was made possible by:

- 77 chapter organizing teams
- Hundreds of volunteer speakers and workshop leaders
- Our dedicated global leadership team
- Technical contributors to R-Ladies infrastructure
- Our generous funders and sponsors

Thank you for supporting R-Ladies Global in promoting gender diversity in the R community.
